MEMBERSHIP RENEWAL APPLICATION FORM – 2025

The Parksville and District Rock and Gem Club is a diverse group with common interests in activities associated with rocks and gems. These activities include rock collecting, polishing, carving, lapidary work. Members who participate in field trips are required to sign a liability waiver and are expected to follow the Rockhound's Code of Ethics.

Applicants 15 or under require the signature of their parent or guardian in order to join.

Since the club is run entirely by the efforts of its volunteer members, we count on our members to participate in all aspects of the club. From members on the executive, supervising the lapidary shop, organising field trips, co-ordinating shows, meetings, social and community events.

By joining the club you acknowledge the commitment required by all club members to volunteer.

Volunteering within the club requires no prior experience or knowledge.
