

Merchandise Co-ordinator(s)

Your club has a variety of merchandise, goodies, rocks and gems, club t-shirts, club bags and general good ole stuff!

This can be all yours!

Yes, a fun, social, interactive, opportunity to join in an important function of the club. Participation includes tracking and having merchandise available for purchase at the monthly general meetings, some functions, garage sales etc. and while your "meeting everyone",.....being club sales representative!

It's these important roles that bring people together, assist the club to function and keep our club great!

Big plus, it's not a "job" rather fun social times!! An opportunity!

Give some thought on joining the team, and have some fun!!

This opportunity is open to several people, like a "committee" with co-members. Even a family team!

Contact me and I'll happily guide you in!!

Cheers
