

Secretary Position

Hello All Members!!

We have an exciting, once in awhile opportunity within the executive of our growing club!

Our Secretary position is being held temporarily but we are looking for someone to take on this important position.

It is very important to the club that records are taken down and followed up. It's an important, involved, social, very part time, endeavour the club needs to fill and would suit anyone with basic skills and looking for some fun too! Join "the gang"!!

Get hold of me, look forward to bringing you on.....
